

Compression Using Abbrevia

History

Was part of TurboTools???

Went open source as 32-bit

More recently, 64 bit version available

How Have We Used it?

Internal tool for Backup

Added in product to reduce ascii file size

Non Visual Components

- TAbZipBrowser
- TAbUnzipper
- TAbZipper
- TAbZipKit

How to Use

```
z := TAbZipKit.Create(nil);  
try  
  z.AddFiles(aStepFile, 0);  
  z.Save;  
finally  
  z.Free;  
end;
```

How Compressed

Ascii Example

- Save StringList = 14.769MB
- Zip file = 2.785MB
