## POINTS TO REMEMBER

- **Speed limit of 20kph in carparks.**
- **The University's Parking Attendant and Security Officers are empowered to issue infringement notices to vehicles that fail to comply with the University's parking requirements.**  
All infringement notices are administered and processed by Darebin City Council.  
The Infringement Court is used to process outstanding infringement notices.
- **Display your permit prominently and according to permit instructions.** Permits that are obscured from observation may incur an infringement notice.
- **Never park outside a marked bay.**

- **Except for Reserved Parking the University gives no undertaking that a space will be available in any particular area.** The responsibility of finding an authorised parking space rests with the driver.
- **If you are unable to display your permit, you will need to purchase a day permit from one of the vending machines.** This will give you time to make alternative arrangements and also prevent an infringement being served on your vehicle.
- **The car parks closest to the academic areas are the first to fill.** If you wish to park in one of these, please make sure that you arrive early.
- **La Trobe University provides a free Campus Bus Service.** The Campus Bus runs on a set route and timetable between 8.00 am and 6.00 pm.
